ARROWHEAD DISTRICT BALTIMORE AREA COUNCIL BOY SCOUTS OF AMERICA Annual Recognition Dinner May 10, 2007

2006-2007 State of the District

District Scouters and Guests,

The 2007 Scouting year started off on a high note, as we were recognized as a 2006 Quality District. This was a remarkable achievement for our District, and the entire District Staff deserves our gratitude. There have been some changes made and new faces added throughout the district as we tried to improve our offering to the units we serve. We have tried to work on communications and operations to provide a better program for the youth. I applaud the entire District Staff which has made the 2006/2007 Arrowhead District scouting year a success.

There are so many scouters that supported the Arrowhead District I can't name them individually. However, I would like to thank the following Key Staff members who provided leadership, and support this year:

Kathy Herche-District Executive
Robby Cohen-District Commissioner
Bill LaVeck-Finance
Ed Geis- Advancement
Vance Kovach - Training
Bryan Maynard - Activities
Barry Cohan - Health and Safety
Dave Rubin - OA / Publicity
Paul Kraus-Committee Member
Brian Hayman - Editor/Webmaster
Steve Severence-Committee Member

This evening, the District Key-3 will present several Awards to recognize those Scouters who went the extra mile to provide outstanding service to the district. We must rededicate ourselves to the goals we have set for the Arrowhead District, and must strive to meet the new Quality District goals. We must continue in our efforts for the most important reason of all, to bring the full measure of Scouting to every youth in the Arrowhead District. Join me in this endeavor for the 2007/2008 District Scouting year!

Yours in Scouting,

Brian G. Macari
District Chairman

Thanks to all of you who have helped to maintain and improve Arrowhead's training program over the past year. We have come a long way, but we still have far to go. It has been a real pleasure for me to meet new leaders getting their first training or seeing the established Scouters getting trained again. I would like to thank everyone who made this year a memorable one for me but more importantly for the Scouters who received training. When you train adults you are affecting the program for all the scouts they serve.

This year we trained over two hundred Scouters in all of the training areas. Most of these folks came from the Arrowhead District but we helped train people from at least four other Districts too! We have touched a lot of Scout Leaders but there are a lot remaining to be trained.

Take a moment to complete the forms on the table so that we can better serve you with training. The forms will help us to understand who is current in their training.

Thank you,
Vance Kovach, Sr.

2007 District Commissioners

Thank you for letting me serve as your District Commissioner for the past program year. I cannot thank enough the faithful few unit commissioners, the Roundtable commissioners (Barbara and Don), and especially my ADC's Brian, Ed, Paul and Will.

We again earned "Quality District" status and had marked improvement in our "on time" charter registration/renewals.

However, we still face serious challenges including expansion of the commissioner staff, increasing the number of Centennial quality units and further improving our internet on time rechartering statistics.

Commissioner service is very rewarding and essential for true quality unit efficiency to deliver what we promise to youth-program! Please consider commissioner service as an extension of your service to youth in the Arrowhead District.

Good luck and good scouting. See you along the trail.

Yours in Scouting,
Robby Cohen, Arrowhead District Commissioner 2006-07

The Commissioner's Creed:

I shall make the Scout Oath and Law an active force in my life.

I shall recognize that the responsibility for each unit rests in the chartered institution and shall assist it in achieving the full value of the Scouting program.

I shall strive to lead through information, persuasion, and inspiration, rather than coercion.

I shall stimulate friendly and orderly discussion until all facts and opinions are considered.

I shall assist those who serve the Scouting program eagerly and willingly.

I shall measure my success by the extent to which boys and adults exemplify the principles of the Scout Oath and Law.

*Softly falls the light of day,
While our campfire fades away.
Silently each scout should ask:
Have I done my daily task?
Have I kept my honor bright?
Can I guiltless sleep tonight?
Have I done and have I dared
Everything to be prepared?*
