

Baltimore Area Council 1 Arrowhead District  
 Camporee / Weboree Annual Newsletter  
 2011 John N. Harvey Camporee / Weboree

May 2011

Thank you from myself and staff for attending the Arrowhead District 2011 John N. Harvey Camporee / Weboree. By using the compass design on the patch this year it reflects/keeps a hiker (scout) going in the right direction.

Scouting's values have put young people on the right path for over 100 years. Scouting has provided an "internal compass" guiding millions of young people throughout their lives.

Our annual Camporee/Weboree is a great opportunity for us all to work together toward our common success in scouting.

The participation of scouts, leaders, and parents is greatly appreciated. My staff and I were glad to see you on this scouting trail. We look forward to seeing all of you again soon.

Thank you again for your participation and helping our youth to follow the right direction.

Greg Miller Chairman  
 Arrowhead District 2011/2012
