

**Boy Scouts of America / Baltimore Area Council
Arrowhead and National Pike Districts
Memorial Flag Ceremony
"We Remember"
Friday, May 28, 2010**

Please mark your calendars now! You don't want to miss this event, since it will be the 23rd Anniversary of the Memorial Flag Ceremony.

For those who have not attended in the past years, this is a service project where our scouts place approximately 49,000 flags on graves of our honored dead. Areas and coordinators are as follows:

- ◆ Baltimore National Veterans Cemetery
Coordinator for Area: Walt Myers 410-519-3158
- ◆ Loudon Park Veterans Cemetery
Coordinator for Area: Gregory Miller 410-247-8681
- ◆ Garrison Park Veterans Cemetery (Scouts will place flags at Garrison Park Veterans Cemetery on Thursday, May 27, 2010 instead of Friday, May 28, 2010)
Coordinator for Area: Walt Myers 410-519-3158

Registration begins at Baltimore National Cemetery, Loudon Park Veterans Cemetery at 5:45 PM with flag placement starting at 6:30 PM. There will be a program beginning around 7:15PM. We will have members of several Veterans groups that will be participating in our program. As in past years, we will be out of the cemetery by 8:00 PM.

For further information, contact Walt Myers at 410-519-3158.

More information will be forthcoming, as we get closer to the date. This is a very worthwhile and impressive program. Plan to attend. This is a NO FEE event, but we would like to know approximately how many you plan to bring so we can pre-assign areas for your unit to place your flags.

***** Important Information *****

In order to minimize the congestion at the Registration table, pre register your unit. Have one person from your unit check in at Registration area and have all other members of your unit meet off to the side away from the Registration area. Upon entering the Cemetery, drive all the way down and around coming back up facing out for easier exiting of the Cemetery after the event and to relieve the Congestion at the Registration area.

Pre-register your unit form information: (Need information by 21 May 2010)

If you would like to order patches for this event, please see attached order information
