John Harvey Eagle Leadership Project Award

Purpose of fund: John Harvey placed a great deal of importance and effort ensuring that each Eagle Candidate's Eagle Leadership Project not only allowed the Scout to demonstrate leadership, but was truly of "significant nature" and lasting value to the community. He wanted each project to be something that the youth would be proud to have a sign attached to, stating this project was done by him as an Eagle Project. In that light, the purpose of this fund is to annually recognize one Eagle Leadership Project from each District in the Baltimore Area Council and, from these, one overall for the Council, as having the greatest impact on the community.

Method of evaluating Eagle projects: Annually, each District Advancement Committee will review each Eagle Leadership Project from the list of those scouts who successfully passed their Eagle Board of Review. The Committee will then select one project that they feel is in keeping with the sprit and purpose of this award. Then the youth who is selected at each District level will be submitted to a special awards committee, made up of the Council Advancement Committee and a member of John Harvey's family, which will select one youth to receive the Council Award.

Timetable for evaluating projects: The Districts and Council award will be presented at the annual Council Recognition Dinner, historically held in January. For the purposes of this award, the cut-off date will be 30 November of each year. This will allow each District, as well as the Council special award committee, to meet and make a selection.

Honoring recipients: A $100 saving bond will be awarded to each Eagle Scout selected at the District level. A $200 savings bond will be awarded to the Eagle Scout selected at the Council level. Additionally, a special plaque will be engraved and placed in the Council's Scout Service Center listing the name of each Eagle Scout and the year he was selected who receives the Council level recognition.

Start-up fund raising goal: Each year it is projected that $600 will be needed to purchase eleven savings bonds, ten $100 bonds and one $200 bond. Therefore, approximately $12,000 will need to be raised to fund this special recognition.

PLEASE COUNT ME IN!!!

Attached is my tax deductible donation to the John Harvey Eagle Leadership Project Award!
