Annual Recognition Dinner

**2007-2008 State of the District**

District Scouters and Guests,

The 2008 Scouting year started off a little rocky as we did not qualify for Quality District. This was despite the considerable efforts of all. There have been some changes made and new faces added throughout the district as we tried to improve our lot and our offering to the units we serve. We have worked diligently, once again, on communications and operations to provide a better program for the youth we serve. I applaud the entire District Staff for making great efforts to glean the positive from the 2007/2008 Arrowhead District scouting year.

One highlight this year was the Camporee. The Camporee was a terrific success. Many Scouts and Scouters showed up ready for fun, and were not disappointed! The weather cooperated all day, right till the campfire. Be sure to sign up early for next year, it is sure to be a roaring success!

There are so many scouters that supported the Arrowhead District I can't name them all individually. However, I would like to thank the following Key Staff members who provided leadership, and support this year:

Kathy Herche – District Executive  
Paul Kraus – District Commissioner  
Mike Neuman – Finance  
Ed Gies – Advancement  
Vance Kovach – Training  
Charles Jay – Activities  
Bryan Maynard – Health and Safety  
Dave Rubin – OA / Publicity  
Brian Hayman – Editor/Webmaster  
Steve Severence – Vice Chair

This evening, the District Key-3 will present several Awards to recognize those Scouters who went the extra mile to provide outstanding service to the district. We must rededicate ourselves to the goals we have set for the Arrowhead District. We must continue in our efforts for the most important reason of all, to bring the full measure of Scouting to every youth in the Arrowhead District. Join me in this endeavor for the 2008/2009 District Scouting year!

Yours in Scouting,

*Brian G. Macari*  
District Chairman

Thanks to all of you who have helped to maintain and improve Arrowhead's training program over the past year. We have come a long way, but we still have far to go. It has been a real pleasure for me to meet new leaders getting their first training or seeing the established Scouters getting trained again. I would like to thank everyone who made this year a memorable one for me but more importantly for the Scouters who received training. When you train adults you are affecting the program for all the scouts they serve.

This year we trained over two hundred Scouters in all of the training areas. Most of these folks came from the Arrowhead District but we helped train people from other Districts too! We have touched a lot of Scout Leaders but there are a lot remaining to be trained.

I would like to take this opportunity to let everyone know I have resigned as District Training Chairman. I will be taking on a role as Assistant District Commissioner for the Catonsville area. I will also be assisting in other areas of the District as my schedule allows. Thanks to everyone for their continued support!

Thank you,

I shall recognize that the responsibility for each unit rests in the chartered institution and shall assist it in achieving the full value of the Scouting program.

*Softly falls the light of day,  
While our campfire fades away.  
Silently each scout should ask:  
Have I done my daily task?  
Have I kept my honor bright?  
Can I guiltless sleep tonight?  
Have I done and have I dared  
Everything to be prepared?*
