Scoutmaster Minute Possibilities:

- You are where you are right now in your life because of the choices you have made and the actions you have taken. If you want to change your life, remember that change starts with you.
– Jeffrey Keller
- Remember: One lie does not cost you one truth but the truth.
– Friedrich Hebbel
- If you do the very best you can, the future will take care of itself.
– George Mitchell
- First aid is an important and difficult subject – difficult insasmuch as it requires great care and precision, exactitude, and common sense (all unnatural attributes of the ordinary boy!).
– Lord Baden-Powell Wolf Cub Handbook 1977 Edition

Constellation of the Month: Pisces, The Fish

In Greek mythology Aphrodite and her son Eros transformed themselves into fish to escape from a titan monster named Typhon. The long line represents the line they used to tie themselves together so they would not lose one another. Pisces now contain the location of the sun at the vernal equinox.
