## Scoutmaster Minute Possibilities

- If your life is not all you want it to be, it may be that you have some forgiving to do. Author unknown
- Words can destroy. What we call each other ultimately becomes what we think of each other, and it matters. Jeane J. Kirkpatrick, diplomat
- Friendship is a plant we must often water. German proverb
- You must try to generate happiness within yourself. If you aren't happy in one place, chances are you won't be happy any place. Ernie Banks, Major league baseball player

## Constellation of the Month

**Perseus:** A Greek Hero. To find Perseus in the autumn sky find Polaris and then look up and to the right. You will first come to Cassiopeia, an inverted W, continue to the right and you will find Perseus below the triangle, Triangulum (from last month). In legend Perseus is known for killing Medusa.
