Scoutmaster Minute Possibilities:

- Our business in life is not to get ahead of others but to get ahead of ourselves—to break our own records, to outstrip our yesterdays by our today.  
– Stewart B. Johnson
- Don't judge each day by the harvest you reap, but by the seeds you plant.  
– Robert Louis Stevenson
- The greatest obstacle to discovery is not ignorance—it is the illusion of knowledge.  
– Daniel J. Boorstin
- Just because things are not going perfectly does not mean they are not going well.  
– Al Groh

## Constellation of the Month: Piscis Austrinus

The Southern Fish is one of the very ancient constellations that have accumulated a number of mythic associations. One early legend is that the Southern Fish is the parent of Pisces (from the Zodiac). Some stories have the fish drinking from the jug of Aquarius and others credit the stellar fish with swallowing the waters of the great deluge, thus saving the world.
