Scoutmaster Minute Possibilities

- You must try to generate happiness within yourself. If you aren't happy in one place, chances are you won't be happy any place. Ernie Banks Major league baseball player
- To give real service you must add something which cannot be bought or measured with money, and that is sincerity and integrity. Donald A. Adams Rotarian and business leader
- The closer one gets to the top, the more one finds there is no "top." Nancy Barcus
- Your integrity will affect your destiny; don't leave home without it. Clarence E. Hodge

Constellation of the Month

Triangulum: The Triangle. To find Triangulum in the autumn sky find Polaris and then look up and to the right. You will first come to Cassiopeia, an inverted W, continue up and to the right and you will find the triangle. The Greeks called this constellation Deltotum, shaped like the Greek letter delta.
